

Dec. 14, 2023

Attention: Primary Care Providers in Grey-Bruce

Ontario's Ministry of Health recently expanded the eligibility criteria for RSV vaccination.

The expanded groups that are now eligible to receive the ministry-funded vaccine include **Ontario residents 60 years of age and older who are receiving dialysis at home.**

If any of your patients meet this criteria and wish to be vaccinated against RSV, please email Danielle McNabb at Grey Bruce Public Health at D.McNabb@publichealthgreybruce.on.ca. Please include the client's name and their date of birth. Once eligibility is determined, the vaccine will be sent to you for administration.

If you have any questions regarding the RSV vaccine, please do not hesitate to reach out to Danielle McNabb at D.McNabb@publichealthgreybruce.on.ca or Mayuri Chaudhari at M.Chaudhari@publichealthgreybruce.on.ca.

If you have dialysis patients who receive their treatments in hospital, they will be able to get the RSV vaccine through the hospital.

Yours truly,

Vaccine Preventable Diseases Team
